

**FarmRaise**  
Making farm finance accessible

## 3 WAYS TO PARTNER WITH FARMRAISE

FarmRaise is an end-to-end farm funding solution that sits on a database of 1k+ funding programs

### FarmRaise

- Matches farmers with funding opportunities
- Helps farmers apply for funding with ease using our online application
- Updates farmers regularly with custom alerts
- Coming Soon - manage grant expenses and reporting for USDA, and you, the Partner

### STARTER

Refer farmers to FarmRaise's landing page - we take it from there!

Be a great connector to our resource as you show farmers a new and efficient way to find funding.

**\$0**  
per year  
per farmer

### SPONSOR

Pay 1 year of FarmRaise membership on behalf of your farmers.

Show farmers and stakeholders that you are dedicated to farmer financial health and farm ecological health.

**\$240**  
per year  
per farmer  
+ 10% fee for  
success

### COMPETE

Pay 1 year of membership for your farmers along with a *Conservation Plan*.

A Conservation Plan doubles an EQIP application's chances of success and shows what practices the farmer will implement, where on the farm, and when in the year.

**\$490**  
per year  
per farmer  
+ 10% fee for  
success
